

2nd Infographic

Shining a spotlight on the cultural treasures nestled within remote regions

20 videos that have been developed are a testament to the richness of our heritage, often overlooked but holding immense value for our communities. Let's take a peek at some of these:

From Spain: Torrecilla de la Abadesa

 Watch here:

From Greece: The Unknown and Ruined Castle of Fanari

 Watch here:

From Romania: Adamclisi Fortress

 Watch here:

From Poland: Houses That Heal From Poland: Houses That Heal

 Watch here:

But wait, there's more! You can explore all 20 videos in our dedicated playlist

 [Watch here](#) 

Next step:

In our ongoing quest to bring these hidden gems to light, QR codes will soon be placed at each site. Anyone curious to learn more about these places will have the opportunity to scan and uncover their fascinating histories through our videos.

Join the Journey

We invite you to embark on this exciting journey with us. Together, we can make a difference by empowering seniors and revitalizing our rural areas while preserving and celebrating our European heritage. Visit our website to stay tuned with the project development:
